

Objective: To make a rice crispy cake.

Rice Crispy Cakes

You will need:

- Rice Krispies
- Chocolate
- Cake decorations

Equipment

- Mixing bowl
- Microwave
- Spoon
- Cake cases

Method:

1.

Wash your hands using soap and warm water.

2.

Safely, melt the chocolate in a mixing bowl in the microwave. Check on it every 20 seconds and stir.

3.

Add Rice Krispies into the mixing bowl and use a spoon to mix the melted chocolate and Rice Krispies together.

4.

Use a spoon to share the mixture into the cake cases.

5.

Decorate cakes with decorations and place in the fridge to cool.

6.

Wash and tidy away all equipment used.
